Mission & Vision

Our Mission is to reveal the love of God and bring hope and healing to everyone within our influence.

Vision: We strive to be one of the most dynamic churches in the Sacramento region by displaying the love of Christ to each other and the community.

Welcome

We are certainly enriched and blessed because of your presence. Just know, whether you're visiting for the first time or returning as a friend, we are honored to have you study and worship with us today. Be blessed and remember this is a place just for you.

Thought of the Week

"The Good Shepherd has given leaders a variety of gifts: exhorting, developing, and shepherding. Whether we're a leader or learner, though, He desires that we maintain humble hearts and a love for others. What a privilege to be led and used by our Shepherd to encourage others in their walk with Him." ***Our Daily Bread***
