Mission & Vision

Our Mission is to reveal the love of God and bring hope and healing to everyone within our influence.

Vision: We strive to be one of the most dynamic churches in the Sacramento region by displaying the love of Christ to each other and the community.

Welcome

We are certainly enriched and blessed because of your presence. Just know, whether you're visiting for the first time or returning as a friend, we are honored to have you study and worship with us today. Be blessed and remember this is a place just for you.

Thought of the Week

"The expansion of Black History Week to Black History Month was first proposed by the leaders of the Black United Students at Kent State University in February 1969. The first celebration of the Black History Month took place at Kent State one year later, in February 1970. In 1976 as part of the United States Bicentennial, the informal expansion of Black History Week to Black History Month was officially recognized by the U.S. government." **C.G. Woodson, "Black History Week," Journal of Black History, vol. 11 "**
