Treasury Department

To ensure that your end of the year tithe receipts are correct, please remember to **clearly mark** your tithe envelope before placing it in the offering plate. You should always **print your information clearly** and include the following: **First & Last Name, Address**, if you have moved, note that the address is NEW. Finally, clearly mark where you want the funds credited. If the Treasury team has to make any guesses on your information, it could impact your end of year receipt. If you have any questions, please don't hesitate to contact the Treasury Department. - The Treasury Team
